Below is a partial list of products for which compliance with the GSA Public Buildings Service Key Sustainable Products standards has been verified. Service and construction contractors and lessors using one of these products have reduced submittal requirements compared to those that apply when using a compliant product not on this list. Inclusion of a product on this list does not constitute an endorsement by GSA of that product. Manufacturers or distributors that wish to add their products to this list must respond to the Request for Information (Solicitation # SustainableProductsFY15RFI) posted on June 3, 2015 in FedBizOpps at https://www.fbo.gov/index?s=opportunity&mode=form&id=f8126be1e1b3147a10dca55e2ba16336&tab=core&_cview=0.
