# Why go in 2020? You asked, we acted!

- ✓ Receive more accredited continuing education units (CEUs)
- ✓ Participate in agency leadership engagement opportunities that outline priorities through agency-specific meetings and policy update sessions
- ✓ Attend expanded training sessions on the efficiency-resilience nexus
- ✓ Explore new pathways for partnerships and collaboration, including doing business with the federal government and utilizing DOE's National Labs
- ✓ View state-of-the-art tech demonstrations and validation at DOE's Technology Pavilion

*For more event details, justification resources,  
and to register and book hotels visit:*
