

AUGUST 20-22, 2019
COLORADO CONVENTION CENTER
DENVER, COLORADO

Energy Exchange 2019 – Schedule

SCHEDULE OF EVENTS

	Monday	Tuesday	Wednesday	Thursday
8 a.m.				Session 8
9 a.m.	FEMP Workshop Session 1	Opening Plenary	Session 4	Break
10 a.m.	Break	Break	Break	Session 9
11 a.m.	FEMP Workshop Session 2	Session 1	Session 5	Lunch
12 p.m.	Lunch	Lunch	Lunch	FEDS Spotlight Event & Closing Plenary
1 p.m.		FEMP Hub & Energy Exchange Trade Show		
2 p.m.	FEMP Workshop Session 3	Session 2	Session 6	
3 p.m.	Break	Break	Break	
4 p.m.	FEMP Workshop Session 4	Session 3	Session 7	
5 p.m.				
6 p.m.	Energy Exchange Trade Show Reception			
7 p.m.				

Plenary Events

Opening Plenary

Mr. Daniel Simmons

Assistant Secretary, Office of Energy Efficiency and Renewable Energy, DOE

Mr. Alex Beehler

Assistant Secretary of the Army – Installations, Energy and Environment

The Honorable Lucian Niemeyer

Acting Assistant Secretary of the Navy – Energy, Installations and Environment

Dr. Martin Keller

Director, National Renewable Energy Laboratory

Dr. Robert W. Ivester

Director, Federal Energy Management Program, DOE

Dr. Teresa R. Pohlman

Executive Director, Sustainability and Environmental Programs, DHS

Performing the National Anthem

Closing Plenary

Mr. Alex Fitzsimmons

Chief of Staff and Acting Deputy Assistant Secretary for Energy Efficiency, DOE

Ms. Charlotte Skidmore

Federal Chief Sustainability Officer at the White House Council on Environmental Quality (CEQ).

Ms. Leslie Nicholls

Strategic Director, Federal Energy Management Program, DOE

FEDS Spotlight Presentation

Recognizing over 40 individuals nominated from their Agencies

Key Points on Event

MULTI-SECTOR NETWORKING

25+ Federal Agencies
500+ Private Sector Companies
30+ Utilities & Local/State Govts.

IACET ACCREDITED TRAINING

5 Focus Areas
13 Training Tracks
117 Technical Training Sessions

INNOVATIVE TECHNOLOGY

2.5 Day Trade show
100+ Exhibitors
105,000 SF of Exhibit Space

**Over 50 Technical Sessions aligning
with FBPTA Competencies**

Where you see the GSA symbol:

- This session has been aligned with at least one FBPTA performance.
- If you want to learn more about FBPTA, visit www.fmi.gov or afm.fmi.gov.
- If test are completed, sessions will be added to your profile in Accelerate FM for FBPTA credit.

FEMP Pre-Event Workshops – Draft Agenda

	FEMP Workshop Series 1 <i>Resilience Strategy and Technologies</i>	FEMP Workshop Series 2 <i>Demand Response and Financing for Resilience</i>	FEMP Workshop Series 3 <i>Building Design & Operations</i>	FEMP Workshop Series 4 <i>Cyber-securing Facility Systems and Related Technologies</i>	FEMP Workshop Series 5 <i>Fleet and Data Center Technologies</i>	FEMP Workshop Series 6 <i>Financing Approaches for Federal Projects</i>	FEMP Workshop Series 7 <i>ESPC Phases to Success</i>
	Room #TBA	Room #TBA	Room #TBA	Room #TBA	Room #TBA	Room #TBA	Room #TBA
Session 1 8:00-10:00	WS1-S1 Technical Resilience Navigator: Resilient Portfolio Planning to Support Agency Mission		WS3-S1 Facility Re-tuning Overview Workshop			WS6-S1 UESC Executive Summary	WS7-S1 ESPC - 5 Phases to Success - Including Resilience
Session 2 10:15-12:15		WS2-S2 Load Reduction Planning with FEDS 8.0	WS3-S2 Sustainable Buildings Design and Requirements Workshop	WS4-S2 FEMP Federal Cybersecurity Training & Assessment	WS5-S2 Federal Fleet Management 101 Pre-Event Workshop	WS6-S2 ENABLE Overview & Strategic Use	
Session 3 1:15-3:15		WS2-S3 Demand Response and Load Management	WS3-S3 Energy Readiness Planning with 50001 Ready	WS4-S3 Distributed Energy Resource Cybersecurity Framework		WS6-S3 Assuring Performance	
Session 4 3:30-5:30		WS2-S4 Lessons Learned from Past Federal Distributed Energy Projects	WS3-S4 Water Balance Workshop	WS4-S4 Procuring Energy Efficient Emerging Technologies	WS5-S4 Exploring the Untapped Potential of Small and Medium Data Centers	WS6-S4 One e-Project Builder for all Energy Projects	

FREE TO ATTEND

DRAFT: Session titles and schedule subject to change

Note: You will need to pre-register through FEMP Training Website.

FEMP Pre-Event Workshops – *Relevant to this Group*

WS3: Building Design and Operations

Session	Time	Session	Room
2	10:15 a.m.- 12:15 p.m.	<p><u>New Construction for Federal Sustainable Buildings: Requirements and Strategies</u> (WS3-S2)</p> <p>Focuses on the design process and offers guidance to help agencies implement and interpret the Guiding Principles for Sustainable Federal Buildings and comply with federal statutory requirements for new construction.</p>	407

EEx Technical Sessions – *Relevant to this Group*

T03-S03: Federal Sustainable Design Approaches

Track #	Session #	Time	Session	Room
3	3	4:00 pm - 5:30 pm	This session will highlight the different innovative approaches to meet and exceed sustainable design requirements included in federal statutes and in Executive Order 13834: Efficient Federal Operations, which emphasizes efficiency and resiliency for federal buildings. Discussion will focus on the Guiding Principles for Federal Sustainable Buildings and the alternative compliance approaches offered by the United States Green Building Council (USGBC)/Green Business Certification Inc. (GBCI) and the Green Building Initiative (GBI).	303

Recommended Follow-on Sessions:

T01-S4: *Energy Legislation in Congress* (Wednesday, 8:30 AM – 10:00 AM, Room 301)

T01-S9: *Coffee Talk with Congressional Staffers* (Thursday, 10:00 AM – 11:00 AM, Room 301)

T03-S5: *Designs for Resilience and Grid-Interactive Buildings* (Wednesday, 10:30 AM – 12:00 PM, Room 303)

EEx Technical Sessions – *Relevant to this Group*

T03-S05: Designs for Resilience and Grid-Interactive Buildings

Track #	Session #	Time	Session	Room
3	5	10:30 am - 12:00 pm	Hear how the U.S. Department of Defense (DoD) is integrating resilience into facility design and how civilian agencies are turning its buildings into profitable, grid interactive, efficient, resilient resources. In this session you'll learn about advances in resilience planning from DoD, and how the U.S. General Services Administration (GSA) is designing building electrical systems in coordination with utilities to generate mutual benefits.	303

Recommended Follow-on Sessions:

T03-S6: Designing Resilient Microgrids (Wednesday, 2:00 PM – 3:30 PM, Room 303)

T02-S9: Turning Results into Action (Thursday, 10:00 AM – 11:00 AM, Room 401)

T04-S8: Energy and Water Efficiency Measures for Resilience (Thursday, 8:30 AM – 9:30 AM, Room 403)

EEx Technical Sessions – *Relevant to this Group*

T03-S09: Effective Implementation of ASHRAE 90.1 2013 Requirements

Track #	Session #	Time	Session	Room
3	9	10:00 am - 11:00 am	In this session, attendees will learn about the challenges of meeting the ASHRAE 90.1 2013, 30% or better energy reduction requirements in a cost effective manner, and understand approaches to designing cost competitive designs.	303

Key Events– *Relevant to this Group*

Advance Your Career Through Training: Federal Buildings Personnel Training Act Open House

Date: Wednesday, August 21, 2019

Time: 12:45 PM – 1:45 PM MT

Session

The General Services Administration’s Facility Management Institute (FMI) is holding an open house to gather input from and provide guidance to Federal Agencies and industry stakeholders directly engaged in implementing the Federal Buildings Personnel Training Act (FBPTA) legislation or directly engaged in training of federal facilities staff, including Energy Managers. During the meeting the FBPTA National Program Manager will:

- Explain how to earn FBPTA credit for attendance at FBPTA-Aligned Energy Exchange Sessions
- Introduce the results of two working groups that led to the creation of a new competency area in Cybersecurity and its associated performances, and the new performances specific to wage grade trades positions such as HVAC Technicians, Carpenters, Electricians and Plumbers.
- Facilitate a Q/A portion during which the participants will be engaged in a discussion and will be solicited to provide input and guidance to improve the FBPTA program.

ENERGY EXCHANGE BE EFFICIENT AND RESILIENT

AUGUST 20 – 22, 2019

COLORADO CONVENTION CENTER
DENVER, CO

Be Efficient And Resilient – This motto resonates across DOE, the federal government, and the private sector, as all parties strive to support Administration's goals and ensure Federal agency missions through optimized federal operations and replicable cost effective and resilient projects.

This 3-day training, trade show, and peer networking event takes place August 20 – 22, 2019 in the Colorado Convention Center. It features nearly 140 unique training session, 15 technical tracks, over a dozen high profile plenary speakers and endless opportunities to develop professional skills and interact with the larger federal energy/water management community.
